MEDIA ADVISORY

McCarty Lane Groundbreaking Slated for April 13

Mayor Susan Narvaiz and the City Council invite the public to a groundbreaking ceremony Tuesday, April 13 marking the start of the \$6.5 million widening and reconstruction of McCarty Lane east of the City of San Marcos Conference Center.

The ceremony is scheduled for 9:30 a.m. Tuesday, April 13, on McCarty Lane east of the entrance to the Embassy Suites Hotel, Spa and Conference Center. Motorists are advised to take an alternate route as the road will be closed to thru traffic during the event.

McCarty Lane will be transformed into an urban 4-lane roadway with raised medians, a bridge, curbs and gutter, improved lighting, landscaping and a 10 foot wide sidewalk for pedestrians and bicycles. The City project will connect to recently completed Hays County improvements on McCarty to San Marcos High School.

The City of San Marcos and Hays County are partnering on the improvements to McCarty Lane which will become a part of an eastern segment of Loop 110 connecting I-35 to Highway 123.

KBR of Austin is the project engineer and Texas Sterling of Austin was awarded the contract for reconstruction. The City project is scheduled for completion in November 2010.

For more project information, please call the Capital Improvements Department at 512.393.8130.

###

Directions: Take Exit 201 (McCarty Lane) from I-35 and drive east on McCarty Lane to site. See map.
